

# Donation Request Form

Name of organization:

Name of organization contact:

Contact's phone number:

What exactly are you requesting Grant's Farm to donate? We generally donate flower vouchers that expire on June 30<sup>th</sup> or the actual plant.

Does anyone from your organization work for Grant's Farm or volunteer their time on Open House?

How do you plan to use the donation?

What is the premise of your organization/how are you helping the community?

When would you like the donation?

Thank you so much for taking the time to fill our this form. We get a substantial amount of donation requests throughout the year and we have a hard time keeping track. This form will allow us to prioritize within our donation budget. Please give this form to the cashier or email the completed form to [support@grantsgreenhouses.com](mailto:support@grantsgreenhouses.com). We generally only respond when we are able to donate, but if you would like to check in please feel free to email.
